**Kingsky Flight Academy puts you on
a Fast Track to be a professional Pilot**

Instrument Rating

The instrument rating, which equips you with the exact skills needed to fly in the clouds and under conditions of reduced visibility, is the most frequent "next step" taken by private pilots seeking to advance their aeronautical education. If the private pilot certificate is the airman's bachelor's degree, the instrument rating is graduate school.

Price List

Part 141 - Instrument Rating - C150

Cessna C-150
