Kingsky Flight Academy puts you on a Fast Track to be a professional Pilot

Commercial Pilot

Even if you don't plan to fly for a living, working on your commercial pilot certificate can be a good idea. Like the instrument rating, the commercial hones basic flying skills.

Although it is a standard check-off for the person planning to fly for a living, the commercial certificate, is also a good way for the recreational flier to gain increased confidence and become more professional in the cockpit.
