**Kingsky Flight Academy puts you on
a Fast Track to be a professional Pilot**

Instrument Rating

The instrument rating, which equips you with the exact skills needed to fly in the clouds and under conditions of reduced visibility, is the most frequent "next step" taken by private pilots seeking to advance their aeronautical education. If the private pilot certificate is the airman's bachelor's degree, the instrument rating is graduate school.

Price List

Part 61 - Instrument Rating - C172

Cessna C-172

Engine: Lycoming O-320 D2J
Horsepower: 160HP
Cruise Speed: 140 MIAS

The Cessna 172 Skyhawk is an American four-seat, single-engine, high wing, fixed-wing aircraft made by the Cessna Aircraft Company. First flown in 1955, more 172s have been built than any other aircraft. Measured by its longevity and popularity, the Cessna 172 is the most successful aircraft in history. Cessna delivered the first production model in 1956 and as of 2015, the company and its partners had built more than 44,000. The aircraft remains in production today.
